## **High Point Regional Health System proposes diagnostic and surgical center**

RALEIGH – High Point Regional Health System has filed two applications with the Certificate of Need Section of the N.C. Division of Health Service Regulation to develop a diagnostic and surgical center.

A public hearing for these projects will be held at 11 a.m. on Dec. 12 at the Civic Center, 301 E. Main St., Jamestown.

One project would relocate two operating rooms from the main campus on North Elm Street in High Point to a medical office building in Premier Medical Plaza on Premier Drive. In a related project, High Point Health Care Ventures has filed an application to relocate an existing diagnostic imaging center from 308 Boulevard St. to Premier Medical Plaza. The imaging center includes computed tomography, ultrasound, mammography, bone density studies, nuclear medicine and general radiology.

Anyone may file written comments concerning this proposal. Comments must be received by the Certificate of Need Section no later than Dec. 3 at the following address:
